Attended by Chris Jepson ,Neil Watts, David Telfer, Peter Clinch, Martin Pool

Appologies from Mick Carrington who put in a postal vote for the Tolle team

1 Results of the Met cup

The B and the C teams both performed well coming 2nd in their division. CJ had written to Dave Nastaszczuk and Phil Roxburgh to congratulate them on their performance and check availability for the Tolle. CJ to write to the rest of the team to thank them for playing. MC to write to the C team to say well done and thank you for playing.

The A team result was a little disappointing as one player had problems with their computer, such that Neil had to step in and play. Andy Ryder and Mike Allen and Ollie and Stephen both played well.

2 Selection of Tolle qualifier team

There was a lot of discussion regarding equipment failure and current playing form. The following pairs were then selected

Peter and Julian

Andy and Mike

Gunnar and Sally

Ollie and Stephen

Neil and Chris

The 6th pair was decided by a vote including a postal one from MC

Chris Philips and Andy Morris to play on the Saturday

Alan and James Hobden to play on the Sunday

It was agreed that we would probably play some pairs more than others and not by rotation.

Chris is to be a playing Captain assisted by Neil.

Reserve pair Matt Read and David Dickson
