ABOUT Sri. P.S.GOVINDACHARI

The ever ebullient Mr. Govindachari (fondly known as Jumbo for his formidable presence) was an officer and a gentleman, in the truest sense of the phrase. He spent his formative years in the Army Corps of Engineers, then left after 10+ years in the service to start his corporate innings, which brought him to incredible heights as a businessman and industrialist. His career legacy, the Rajsriya Group of Industries, founded in 1977 in a small shed in Chennai by Jumbo and his wife Meera, has grown into a corporate leviathan, making in excess of Rs. 1000 crores in turnover every year. He leaves behind his wife Meera, daughter Sriya and son Neeraj who will carry forward his tradition of entrepreneurship and charitable works.

Jumbo was a keen and sharp bridge player and in his later years, never missed an opportunity to play a game. He was a great benefactor of the game and provided staunch financial and moral support to the TNBA. The TNBA proudly nominated him as a patron member for all his contributions to the game of bridge.

Jumbo, the gentle giant of Tamil Nadu, will be sorely missed.
