Mr. W.S. Sundaresan was an avid bridge player who played the game at the prestigious Madurai Union Club during the mid 80's. He used to encourage youngsters in any field of sports.

This fine gentleman, mentor and godfather, unfortunately passed away in 1991 at the young age of 54. He taught his younger brother W.S Subramanian (W.S Mani) this fascinating game . It has been W.S Mani's dream to conduct a tournament in memory of his loving brother & mentor.

Special thanks to his son Mr.W.S.Ravishankar and his family who are the major sponsors of this tournament.
