## “Thinking Bridge” Intermediate Course

We learn bridge by adopting a set of rules that work most of the time, “second hand low”, “third hand high”, “honor from the short side”. In “thinking bridge” we will learn to analyze the clues available to come up with a winning defense or winning play. Students will be presented with hands to play or defend, playing with 3 robots. After each hand we will analyze and categorize each hand for future reference.

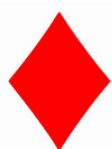

**Class begins April 17, 2024, 9AM to 10:30AM**

**Cost = \$140 for 8-lessons.**

**Coach: Al Bender**

**In-person at the 13 Tricks Bridge Club or **ONLINE****

**Requirement: PC or tablet**
