President's Report

It has been a privilege to serve as President of our TDBC this past year and observe the hard work behind the scenes of our club faithful. While the whole executive have been selflessly devoted to the well-being of our club, there are what I term the four pillars who year after give their efforts tirelessly to the benefit of our club. Our treasurer Janice Edey does yeoman service to ensure we are solvent and financially secure; Julie Small, as club manager, deals with the daily issues of operating the club and maintaining an informative and indispensable website; Bob Dorland as chief Director and "volunteer-at-large" helps us navigate our way through the complexities of our game; and Jo Ann Lynds rounds out the pillars as our Education Director and "counsellor" guiding us through the maze of issues faced by our club.

There are also regular members of our club who have been generous and loyal in giving their time and effort to support the smooth running of our four weekly bridge sessions. Jim "Boot" Boutilier has shown up for most sessions early to set up the tables and other paraphernalia. Due to health concerns, he has had to curtail that contribution, but not before we express our appreciation for his efforts on our behalf. And while we cannot conduct Duplicate Bridge sessions without the expertise and volunteerism of our Directors, our Wednesday sessions directed jointly by Lorne Cock and Lydia Fox, with assistance from Roger Simm, would not be possible without their direction for many years now. Their nurturing of new and less experienced players has played a pivotal role in the development of our club

And it goes without saying, that the many social events overseen by Bernadette Alain keep our members close and valued as they enjoy each other's company. In a similar vein, Margaret House ensures that special occasion cards are sent to any members that fit that category.

This past year has seen the resounding success of our Don Cox tournament at the Glengarry. Jamie Muir and Beverley Snow conducted a masterful operation of one of the best bridge gatherings in our Maritime region. With participants from across our provinces and some from across the border we have garnered a great deal of attention as a venue to keep on the attendance list.

Through the special work of Beverley Snow, we now have a Policy Handbook with By-laws revised and accessible to all on our website. Beverley and I also proposed to institute a club member Birthday Program where we award a free game to birthday celebrants. (cake is optional!)

With Julie's initiative and navigation through the set up and consultation with Bob and Andrew Endendijk we instituted another mode of reporting results, TheCommonGame. Beyond our usual ACBL results, we can now compare how we performed against a large cross section of North American players.

Another dedicated contributor to our club has been Marilyn Rudolph whose promotion of the Tuesday sessions and her fund raising activities for charity has earned her the respect and appreciation of our members.

On another note, there have been challenges in the "nuts and bolts" of our operation, from difficulties getting satisfactory climate control in the hall to replenishing our playing cards and getting more tables with appropriate bridge table cloth covers. The Truro Church of the Nazarene solved our problem by donating eight wooden tables that our own Ray Boudreau remodeled with his fine carpentry to suit our

needs. Moreover, we are grateful to our "sister" club in New Glasgow for donating fine table cloths for those tables.

We have looked at alternative venues for our club to no avail at this time. Our present venue, however, can be improved by more consultation with the Lion's club, a mission for the incoming executive.

In closing, I extend my sincere appreciation for all the support and cooperation I received from all my friends who constitute the heart (and head) of our club.

Respectfully submitted, Ken MacLean

TDBC Manager's Report

Many thanks to the executive for ensuring this past year was successful for our Club. Our out-going president, Ken, Jamie and Ron, lead the executive through a very good year, and without our past president, it is significant to note how experienced members of our executive worked together to make certain another successful Don Cox Tournament; Janice ensured the books were kept in shape and covered month end when the Manager was not available to do so; Myrna kept our minutes in order, Jo Ann provided a quieter spot for our executive meetings in addition to having encouraged new players to our game, Bernadette continued to ensure our social events were well organized; Beverley made sure partners were found upon request; Carla ensured a good supply of coffee and condiments for our games; and as our first member-at-large Cheryl stepped up to help when needed! Bob Dorland ensured the schedule for director's was planned in advance with backup to cover if there was need for cancellation; and many thanks to our directors who ensured games ran smoothly! And to other members who stepped up to assist with our events and those who participated!

We participated in 12 Club Championship games (1 for each Mon-Tue-Thu per quarter), 5 ACBL interclub championships, 3 District 1 STaC, NAPs, ACBL and CBF Fund raisers including all day Bridge Fund raiser for Alzheimers. In addition we have introduced the Common Game which gives our members access to a wealth of information on their game. It was necessary to postpone the 2018 Lion and Skunk and our club will host it January 19th, 2019.

Respectfully submitted, Julie Small, Club Manager

Social Committee Report for AGM 2019

First and foremost, I wish to thank the executive and the membership at large for all your support during 2018. We are lucky to have a Club who quickly picks up the ball at the drop of a hat with assistance and contributions.

Three events were held this year:

Valentine's social

a "sweet" event held on the actual date, a Wednesday for a change 7 tables were in attendance

Halloween party

Held on Monday October 29th with 12 1/2 tables participating

Christmas dinner

A wonderful feast provided by the Club and membership on Thursday December 20th with 11 tables. Donations of food were left in the Lion's Club's box. We donated directly to the Colchester Food Bank a cash donation of \$70.

Financial considerations:

\$216.36 was spent of a \$330 budget along with 20 or so chits for prizes. A shout out to Janice for providing fancy chits on short notice for these events!!

TDBC Partnership~2019

Being partnership coordinator for the TDBC for the past year has been a pleasure!

Members have been accommodating, flexible and pleasant as we work together to ensure that everyone one who wishes to play may do so whenever possible.

A special thanks to Cheryl Nightingale, who in her very pleasant and capable way, filled in during my absence.

Previously, there had been some consideration given to using the membership portal on bridge web for finding partners – however a quick poll of those phoning for partnerships quickly revealed that those individuals either didn't have access to or interest in using the web site. This idea may be worthy of a revisit as the demographics of our club evolve.

Truro Duplicate Bridge Club Education Report Submitted on December 31, 2018

In the winter and spring of 2018, I held a Bridge Basics III class for students on Stayman, Transfers, strong opening bids and slam conventions. Intermediate classes were held on Defense play.

Fall classes were cancelled as I had no place to teach.

The "After Christmas Bridge Party" was held on Dec 29/18 with 10 tables in the afternoon and 7 tables playing in the team game. The pot luck supper was enjoyed by everyone!

Classes for Beginners and Intermediates begin the week of January 7 and will continue throughout the winter and spring.

As our club continues to grow, more of our players are interested in improving their games and advanced workshops are planned for one Saturday a month.

CHIEF DIRECTOR'S REPORT TO AGM OF JANUARY 24/2019

I have very much enjoyed the last two years as Chief Director, but have every confidence in Brandon's ability to take over, following the approval of this meeting. The Executive agreed that I should not fulfill both the roles of President and Chief Director at the same time. Am happy to remain as a director and assist in the regular rotation.

For the following year, I'd like to recommend the following continue their role as directors...

Brandon, Chief Director

Lorne and Lydia... assuming once again the Wednesday game responsibilities

Andrew, Bob, Norm, Jamie, Boyd

Julie and Ken are writing the director's exam on January 23/19 and we wish them every success and will be wonderful additions to our team.

I wish to thank **Charlotte** for her many years of service both as club manager and director of the club. We wish her great cards... in her retirement. At the same time, a big thanks to **Anne** as she retires from the duties she has performed as a director. No one can be counted on to help out more than Anne and she will always do it with a 'big smile', and I know will continue to be a helping hand... whenever one is needed.

The **Common Game**, appears to be working well... as we've worked out the 'kinks' and have been assured by them, that all hands are **completely random**, as any other method would be strictly against all rules of the game. I'd recommend that we continue for the year and give it a fair trial.

I'd like to encourage directors and the club members to recognize how difficult it is to both direct and play at the same time. I'd like to see more 'sharing of the 'responsibilities' on any given night. Meaning, if there is a director's call, and the evening's director is involved in a hand, the first thing that I'd like to them do is look around and recognize if there is another director not involved, i.e. sitting as dummy or on a sit out... they should be asked to assist with the call. At the same time, it is often very difficult to play and watch the clock... and believe that all directors, when noticing someone beginning to start a hand after the deadline, should state nicely that 'it is too late' to start the last hand. Both of these suggestions, should both speed up the play and make the director's difficult role more manageable.

Respectively submitted, **Bob Dorland**

Proposed By Law Change

Background:

For several reasons, the TDBC executive is asking for the termination of the position of 2nd vice-president.

The position is difficult to fill. Members hesitate to let their name stand for nomination because a 4 year commitment is required ie 1 year as 2nd vice, 1 year as 1st vice, 1 year as president and 1 year as past-president.

Members who agree to let their name stand for nomination have, in the recent past, done so with the understanding that they could not commit to the full four years.

TDBC has a limited pool of active members from which to draw the Executive. Most, if not all, have already served the Club in some capacity at some point.

At the AGM, we ask that the membership vote on the following by-law change...if accepted, the following

3. The Executive shall consist of the President, 1st Vice-President, 2nd Vice-President, Secretary, Treasurer, Past President, Chief Director, Club Manager, the Chairpersons of all committees and a member-at-large.

would then read as

3. The Executive shall consist of the President, 1st Vice-President, Secretary, Treasurer, Past President, Chief Director, Club Manager, the Chairpersons of all committees and a member-at-large.
