

Dear Family and Friends of Faith that Works Tucson,

Faith that Works Tucson's vision is to transform our community by uniting and mobilizing churches, businesses, and individuals to serve, strengthen, and provide hope through the love of Jesus Christ.

Our mission: A Christ-centered ministry that inspires our community into active service by:
Supporting our schools, students and their families, teachers, and staff
Strengthening and improving our community through service projects
Providing for our friends who are homeless through our partnership with Hope City Church

In 2023, Faith that Works was supported so we could:

Bless our Tucson schools by donating \$26,235.00 in the way of backpacks, uniforms, school supplies, school landscaping/painting, teacher appreciation, Resource center supplies, family support, student incentives, and student programs (Tucson Educational Empowerment for Minorities)

Develop a partnership with Family Life Radio who then advertised our Serve Our City event

Serve our city by providing \$8,285.00 in the way of school and community project supplies and expenses, hygiene products for Hope City Church's homeless ministry (\$1798.00), shower unit supplies, gas cards, and food for the Marist at Cathedral Square low-income elderly community

In cooperation with 17 churches and 1435 volunteers, other Serve Our City stats include:

- 44 first responder stations were blessed with goodies
- 140 lunches were made for those who are homeless; 12 containers of laundry detergent were donated to Casa Paloma's women's shelter
- 512 food bags and 320 turkey/ham gift cards were collected and distributed
- 18 schools were blessed with service projects and/or appreciation gifts
- 175 blankets/stockings/ornaments were donated to care facilities; 5 senior homes were landscaped
- In cooperation with El Tour de Tucson, 917 bikes were built and donated to children in need

This year our goal is to double these financial numbers and continue to provide hope to our community through your generosity! Faith that Works Tucson is a charitable nonprofit for the state of Arizona. Our EIN is: 84-1915749 and our QCO CODE is: 22125. Thank you in advance!

In Faith,
RuthAnn Smithrud, Executive Director & Faith that Works Tucson Board of Directors
