Robles Elementary
School

Dear Assistance League of Tucson,

I want to take this opportunity to thank you for the wonderful work you all do to help the children in our community school with Operation School Bell. Robles Elementary is a high needs school with 100% of students in our free and reduces lunch program. We have a high population of foster students and low income families.

Without partners like you our students will not have what they need for school. Items such as shirts, uniforms and bag packs are of high demand in our school and some our families are not able to afford these items. The importance of our students coming to school feeling good about themselves because they have what they need is very important to the students' academic achievement.

Your generosity is greatly appreciated,
