

# HAND EVALUATION via Zoom Meeting

WEDNESDAY, December 9, 9 AM – NOON

A 2-hour ZOOM PowerPoint video presentation by Gary R. Mitchell followed by a live, interactive, Question-and-Answer period of 1-hour.

The topic will be Hand Evaluation, which is the basis for all close bidding decisions, such as

- Is my balanced 17 count too good to open 1NT?
- Is my 10-11 point limit raise too good, or too bad?
- When do the values of my honor cards change?

We will cover these and all other pivotal situations.

The registration fee of \$20 will include:

- Live participation during the Q&A hour.
- Lecture notes with example hands and explanations
- Downloadable video

Please see instructions for registration on the next page.

You may pay either by Zelle (or other) bank transfer or by check (it's in the mail!)
