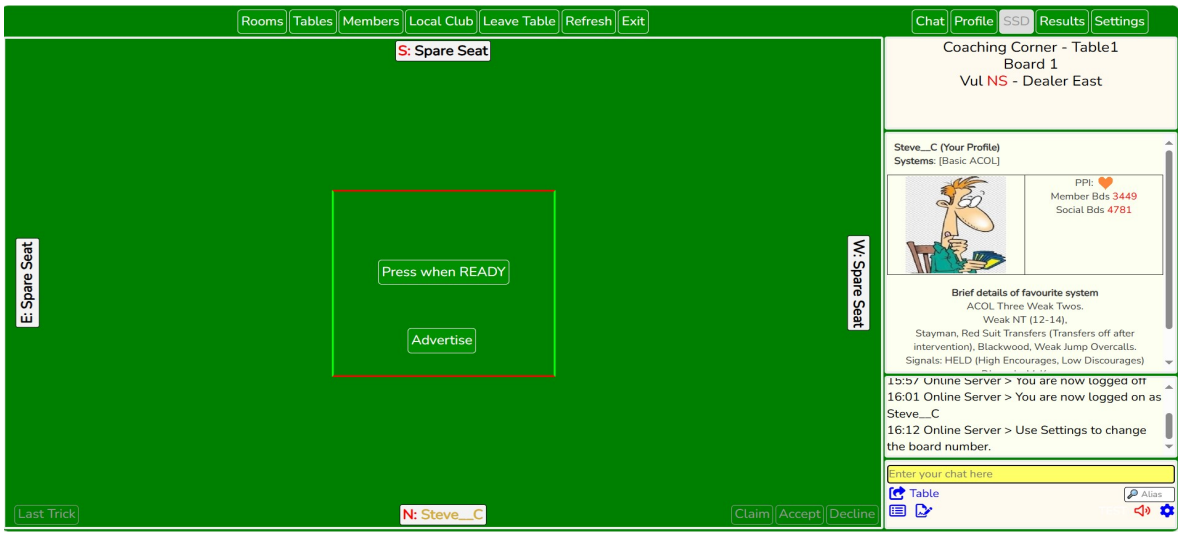
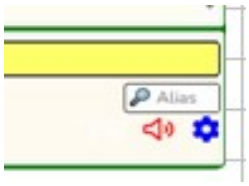
Draft Notes for using the AV (Audio Video) System in Coaching Corner.

Having started a Table

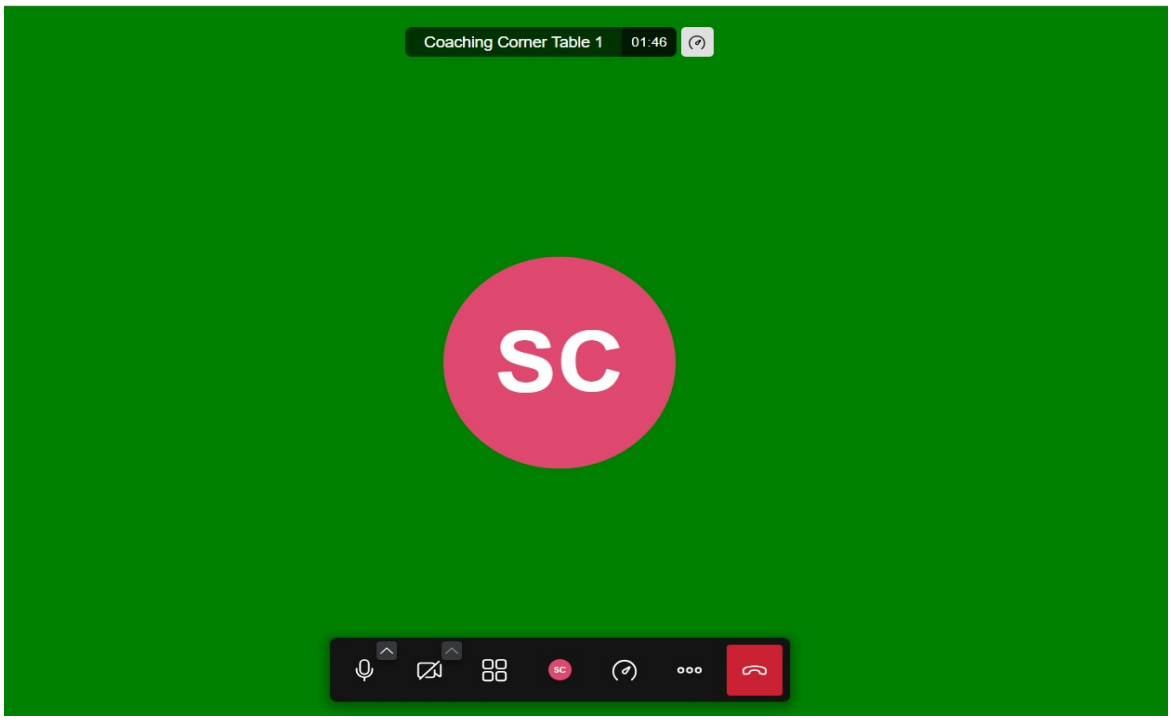


Look for the AV icon in the bottom Right Hand Corner of the screen

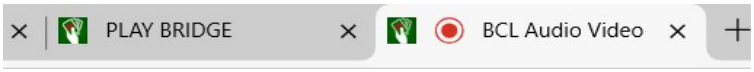


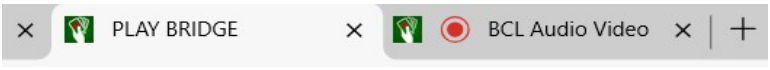
Click on the AV icon

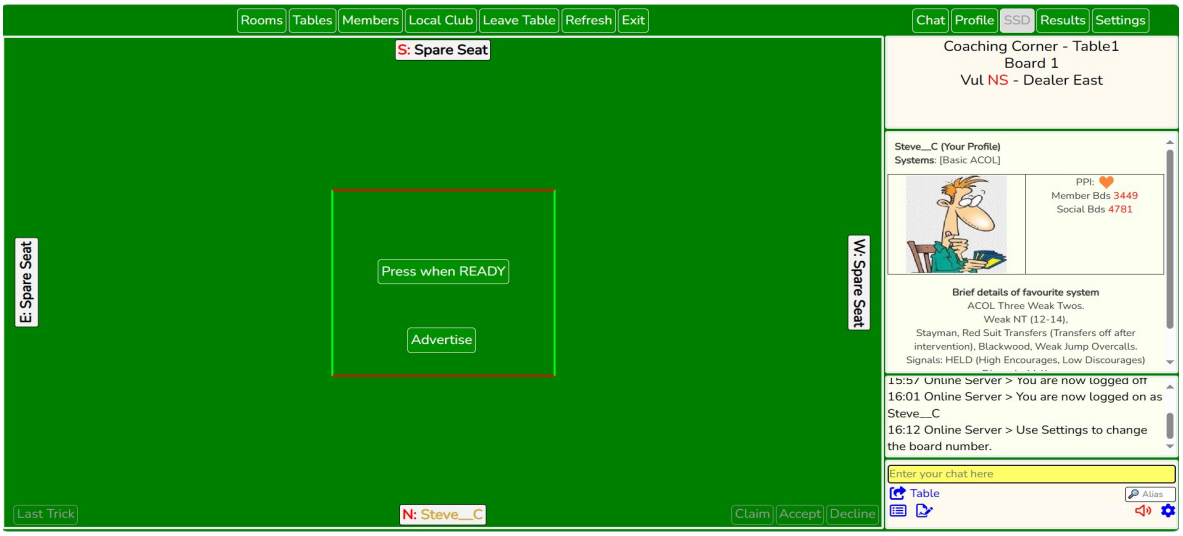
After allowing access to your camera and audio, you will be logged-on to the AV system



You can then send a 'chat' asking the other 3 players to join you
To do this, you need to 'return' to the playing area by clicking on the 'PLAY BRIDGE' tab



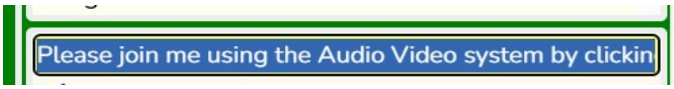




Look for the *Chat Box* in the bottom Right Hand Corner of the screen

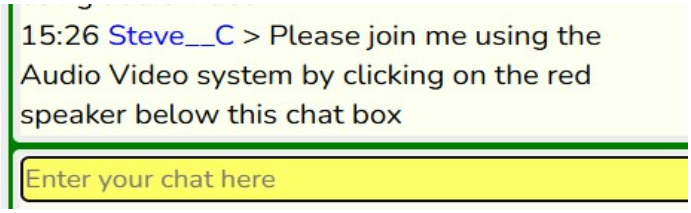
Enter the following message (or similar) in the chat box

Please join me using the Audio Video system by clicking on the red speaker below this chat box



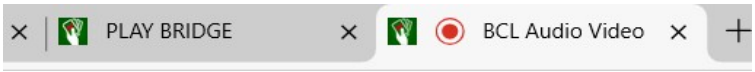
and press Enter

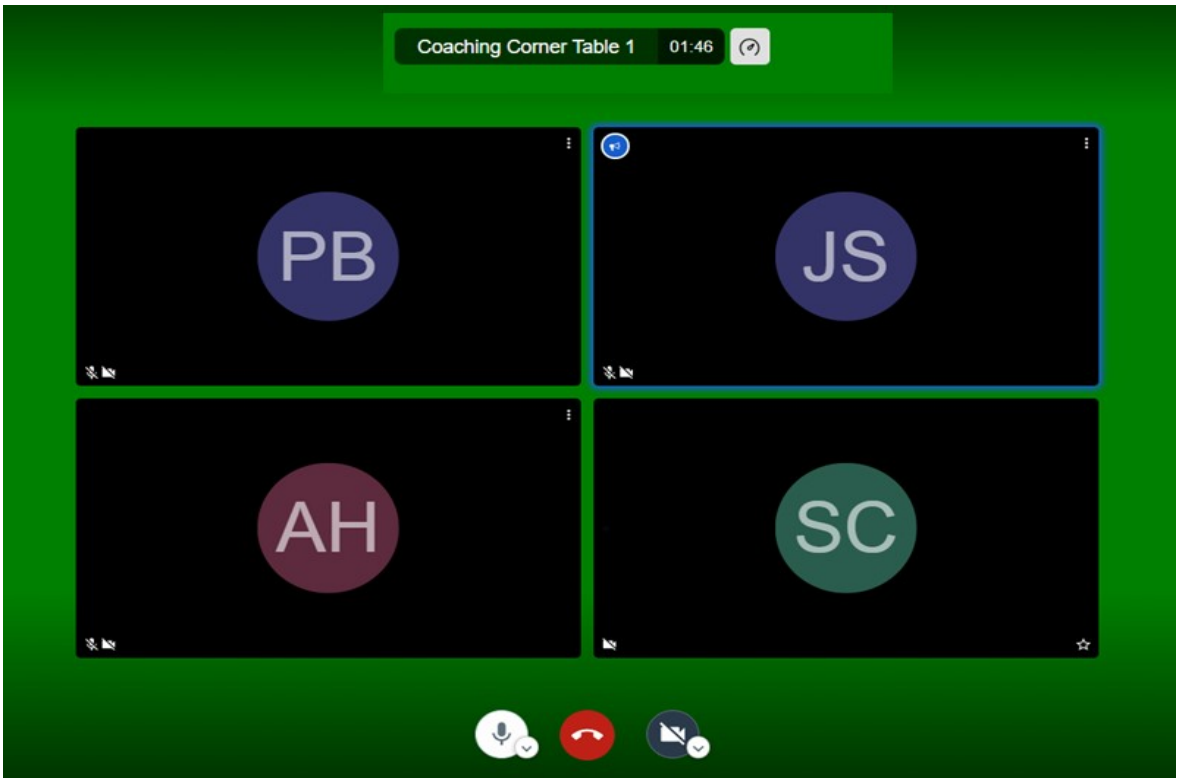
You will know that the message has been correctly broadcast as follows:



Please note: this will only be broadcast to everybody sitting at the table (not in the lobby)

You can then return to the AV area to ensure that your 3 players have joined the AV system by clicking on the 'BCL Audio Video' tab





Once you have all four players on the AV system (we recommend only using sound) then you can return to the Playing Area and enjoy Bridge with the added ability of chatting to your fellow players at the table.
