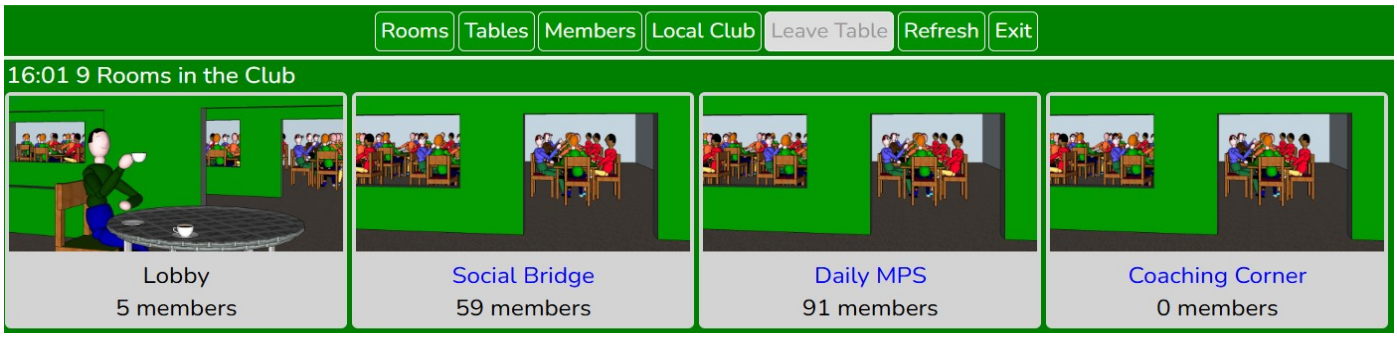
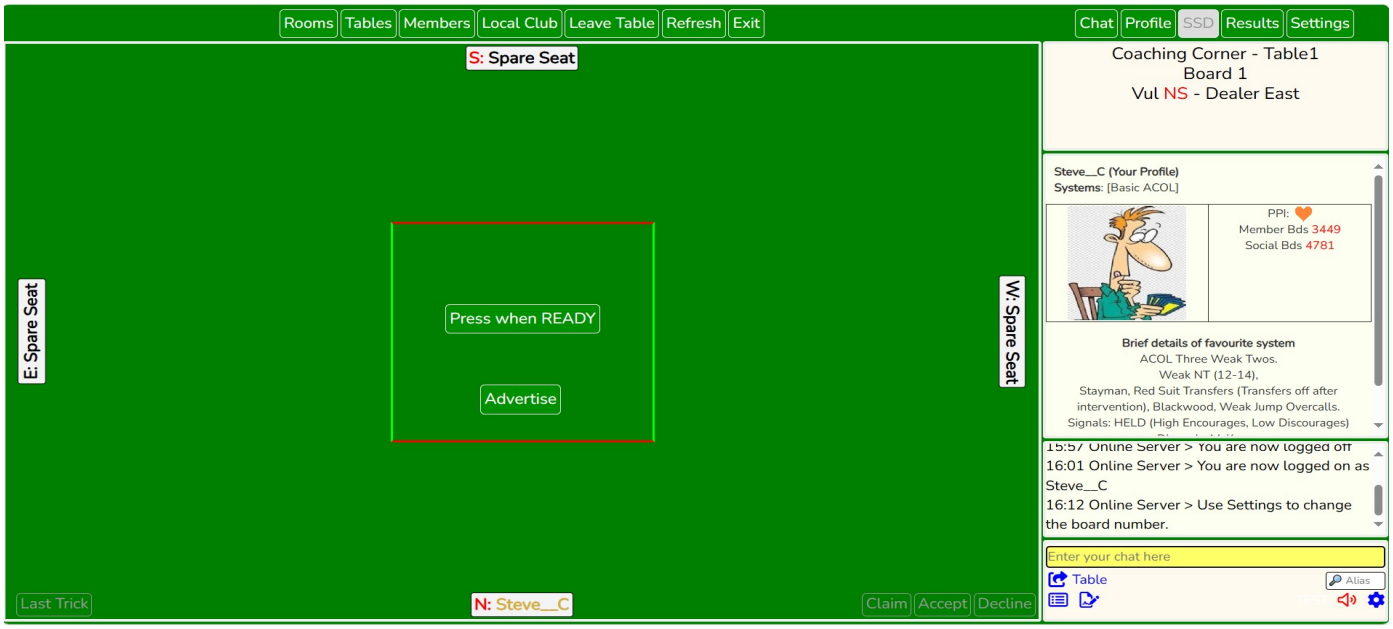
Draft Notes for using Coaching Corner for WhatsApp group play and follow-up Supervised Practice

Having entered the Club Room



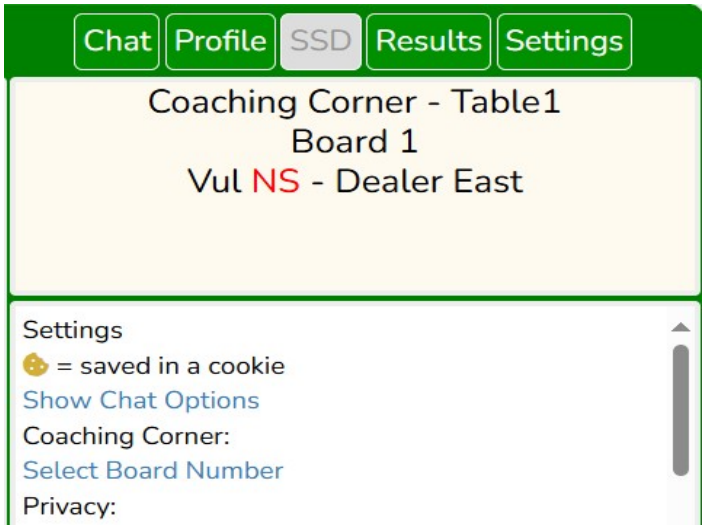
Click on Coaching Corner

Click on Start a Table

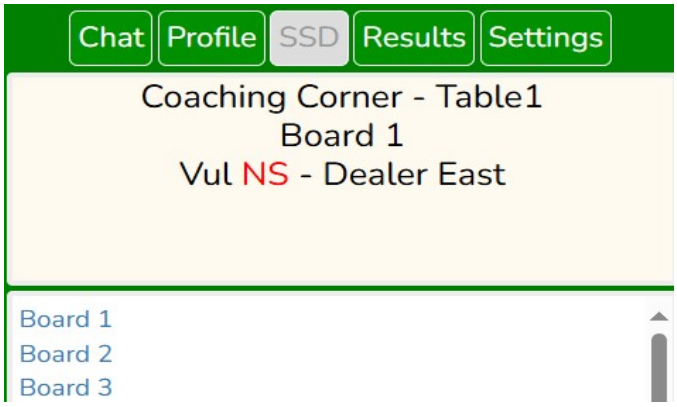


Wait until three other u3a members have joined you, then choose the board number that you'd like to play

Go to Settings



Click on Select Board Number



Choose a board number
from 1 to 48

Note 1: Having played the present board, BCL will re-load the same board meaning that you can re-play it as many times as you like

Note 2: You will ALWAYS need to select a new board if you wish to play a different hand.

Technical Note

The 48 hands in Coaching Corner are refreshed every Tuesday morning.
This means that you have 7 days over which you can get together in your WhatsApp group and play/re-play as many hands as you like.

Supervised Practice on Monday Mornings

Jim (*CoachJim) and some of the other BCL teachers are mostly available on Monday mornings to go over any hands that you found difficult during the previous week

Simply go to Coaching Corner after 9:30 and either sit at a table that Jim is on or
Spectate that table and Jim will help you with any difficults hands that you've had during the week.
