11. Press "confirm" and you are ready to receive your opponents

12. Note that your SSD appears where the "bidding box" normally is.
The text "Your SSD" is present in the bottom Left Hand Corner (next to where your opponents SSD box will show).

13. Your opponents will soon join you at the table.

14. You are now ready to play in our Tournament. Remember it's identical to the way it's played in the Social Bridge Room; the only difference being that after 2 (sometime 3) boards you will either be presented with new opponents or your partnership will be moved to another table.
Either way, DO NOT LEAVE YOUR SEAT – the system will move you automatically to your next playing position.

15. Please remember that this is a competitive tournament and you will be expected to play approximately one board every 7 minutes. There is no Audio/Video in the Tournament, but you can use the 'chat' option to communicate to others at your table.

16. Please be respectful to your member-players, but most important, "**enjoy your Bridge**".
