

Welcome back to the Thursday night unit game!

Here are a few things to know about our return to live bridge:

Where and when: The game starts at 7:30 p.m., and is held at Ohr Kodesh Congregation, 8300 Meadowbrook Lane, Chevy Chase, MD 20815. We will hold live games every other Thursday beginning on May 5th. We plan to hold live games weekly on Thursday nights beginning in August.

Free lesson: Intermediate/novice lessons by Rochelle Cohen are back! Come to the free lesson at 7:00 and stay and play in the 0-499 game (attendance permitting). We will resume holding a 0-20 teaching game after we find a teacher to run the game.

Partnerships: If you need a partner, contact [Barbara Doran](#) or come to the game early and check with Barbara to find a partner. There is a guaranteed partner, so everyone who comes to the game will be able to play.

Credit cards: WBL now accepts credit card payments for unit game entries. However, one partner must pay for the entire entry on one credit card; we are unable to split payments for an entry.

Vaccination requirement: To play at WBL's unit game at the Ohr Kodesh Congregation (OKC), you must be fully vaccinated (including a booster) for COVID-19 unless you have a documented medical exemption from vaccination. See the WBL homepage (www.washingtonbridgeleague.org) for information about this requirement, including how to obtain a OKC VaxPass to facilitate entry to OKC. **If you have not yet received an OKC VaxPass, please bring your proof of vaccination when you come.**

Masks: We are not requiring that all players wear masks. **However, we do require that you wear a mask that covers your mouth and nose if anyone at your table asks you to wear a mask.** Please bring a mask to the game to wear if someone at the table asks you to wear one (though we will have extras at the game in case anyone forgets to bring one).

Wellness: If you are not feeling well, please stay home. We will look forward to seeing you at the bridge table when you feel better.
