Mainely News

How's your bidding?

Many of us play 2/1 game forcing with Jacoby 2NT and splinters over opening bids of 1 of a major. This hand is from our virtual game played on November 3rd. How would you and your partner bid it?

---	A 7 6 2
A J 9 8 7 5 3	K 6 4 2
Q 9 8 6	A K 10
A 5	9 7

The left hand opens 1H and partner responds 2NT (Jacoby showing 4 hearts and enough strength for game or better). It asks opener to show their shortness if they are distributional. Here, opener bids 3S. This looks like a good fit and responder bids 4D to suggest a possible slam and the A of diamonds. Opener might bid 4NT (1430) or 4H to show a minimum. Over 4H responder now bids 4S to show the A of spades. Opener now should grab the reins and bid 4NT (1430 for most of us). With 2 aces and the K of trumps we respond 5D. Opener now knows the 4 A's & the K of hearts are accounted for. Pass this good news to partner by bidding 5NT and ask him to show any kings. He bids 6D to show the K of diamond and deny the K of clubs.

Now consider the auction, we have no spade losers, no heart losers, and no club losers since we can throw our small club on the A of spades, and almost certainly no diamond losers since if partner has only 2 or 3 diamonds we can trump our 4th diamonds and if he has 4 the diamonds will split 3-2 about 2/3 of the time and if he has 5 you are over 90% to have no diamond loser (unless a diamond is led at trick 1 and their partner can ruff). Bid 7H which rates to make. Note that if your 4th diamond is the J, you can count 7 heart tricks, 4 diamond tricks, and 2 black aces for 13 tricks and just bid 7NT and spread your hand before the opening lead!

A great glam slam with only 25 HCP between you and partner! Note that taking control with the distributional hand is better than lazily showing the ace of clubs and forcing partner to take the control although I guess he could bid 6D since you are now committed to slam.

News from the Mudflats

As mentioned in our last VOD, Northeast Harbor went live on June 23, 2021 at our new venue at the Neighborhood House in Northeast Harbor. Attendance was down due to Covid but games still averaged 10+ tables through August, dropping to 6-7 tables when the summer folks went south in September. Northeast Harbor shut down on September 29, 2021. Tentatively the first game in 2022 will be on June 1st. Of special note, a Charity Club Championship was held for the benefit of the Neighborhood House, which does not charge the club a facility fee. As a result of the generosity of our members, close to \$5900.00 was raised.

With respect to Ellsworth, we went live on September 14, 2021. Attendance has been averaging 3-4 tables. The low table count can be attributed to several factors: (a) the curse of the evening club; (b) players in rural counties come from several towns; (c) elderly players (most of us) are hesitant to drive after dark (even when the weather is fine); and, even though we are all vaccinated and masked, Covid rears its ugly head. But, as long as I can get at least three full tables, the games will go on.

Short ♣s...On November 9, 2021 long time bridge player Ronald Fillmore passed away at the age of 75. Ron had been in ill health for some time and was residing at an assisted living facility in Milbridge.

Ronnie loved bridge and the Maine bridge world loved Ronnie. Picture of Ron receiving an Oscar the Grouch mug (joyfully)

On September 13, 2021 when we went live in Ellsworth, we were honored to have three member of the 90+ club in attendance.

If a member has reached the age of 90, they get lifetime free play

Don Murray (91), Ann Ebeling (96) and Kermit Allen (94)

Greater Portland Bridge Club

Wednesday at 12:00 Noon
Woodford's Club, 179 Woodford Street, Portland, Maine
Director: Horace Gower (207-865-4850) hgower@comcast.net
We guarantee a partner if you are there before game time.

We are continuing to offer face to face bridge games in both locations in as safe an environment as possible (you must be fully vaccinated and wear masks to play). The Brunswick game has lost our summer players and some others with Covid concerns especially with the recent spike. We are definitely using the Howell movements and currently running 3- 4 tables a week. Portland is doing even better and is averaging 6 to 7 tables a week.

Our cancellation policy is that we will close the club if the area schools close for weather reasons. We will also post a message on the ACBL club results page by 9 AM if we are cancelling and finally, call if you are still in doubt.
