On each Saturday in April, the Delaware State Bridge Association's Virtual Club will hold Flighted Pairs games at 10:00 AM EDT on BBO.

This event is designed to keep the Delaware bridge community vibrant through troubling times. To be eligible to play, you'll need to have attended a face-to-face game or tournament event at any Delaware club in 2020 or late 2019. Send an inquiry to [bill190@herdle.com](mailto:bill190@herdle.com) if you're not sure.

Players will be divided into three flights, depending on their masterpoints. Flight A is unlimited. All players in Flight B must have less than 1500 MP. All players in Flight C must have less than 500 MP. When registering, look for the "DSBA Flight [A, B, or C] Pairs" game under Virtual Clubs and choose the appropriate flight for you and your partner.

Normal club masterpoints will be awarded. In addition we'll award DOOR PRIZES at each session, and the DBSA will make a \$1.00 contribution to the Food Bank of Delaware for each attendee each week. There is no entry fee increase for these extras!

Come play with your friends each Saturday morning in April!
