

Delaware State Bridge Association

Saturday bridge won't end in March just because the State Tournament is over. Get ready for "**March Madness**"!

We are turning the four Saturday mornings in March into Swiss Team sessions on BBO. We expect to play four five-board matches each Saturday starting at 10:00 AM.

Each team of four players will be led by a captain who will register the team each week by no later than noon Friday by sending an email to Soley Kristjansdottir ([siggasoley@gmail.com](mailto:siggasoley@gmail.com)) with the names of each team member and the total masterpoints of the four players to allow bracketing. Brackets will be assigned and sent to team captains by 9:00 PM on the Friday before each game. Captains will be sent BBO registration instructions, which will also be available on the [DSBA website](#). Swiss Team events are new to BBO, so we'd like teams to sign in by 9:30 on Saturday morning in case there are administrative hurdles to overcome.

The weekly fee will be \$5.00 per player. The DSBA will make a donation to the Food Bank of Delaware for every player who participates. We'll also award door prizes of BBO\$, and as a special bonus if a team fails to win even a single match their entry fees will be refunded.

Further details and instructions will be posted to the [DSBA website](#) as they become available.

So line up your teams of four and block your calendar on Saturdays at 10:00 a.m for more bridge fun.

Our Delaware Bridge fellowship is building back. Don't miss out!
