

UNIT 191 HALL OF FAME

Ed Fuller

Unit 191 is proud to name Ed Fuller as its 2024 Hall of Fame recipient. The Hall of Fame award is given to a person who not only has been around for a few years, but who also has made a significant contribution to our unit. Ed fulfills both requirements—but more than longevity, Ed has served our unit in many capacities and has made substantial advancements in our unit.

1. Ed was elected to the board soon after he started playing in our unit.
2. He served our unit as president for two terms.
3. Ed worked with Maggie Lindquist to start and implement a youth and adult bridge camp.
4. He served as webmaster for several years and is still our backup master.
5. Ed supported the mentor/mentee program and was always willing to be a mentor.
6. He provided interesting and unusual articles to contribute to our monthly newsletter.
7. Ed was named a Goodwill ambassador for the unit for his contributions and pleasant demeanor at the table.
8. And most of us remember how Ed always appeared in costume at the annual Halloween party—and usually winning the best costume. He also had a special Christmas sport coat.
9. With pleasure, we award this honor to Ed.
