***Robot Pairs:**

The Robot Pairs are held on Thursday evening. Because the robots think VERY fast, the game itself is very fast. For the past few weeks, we have been able to play 26 boards in less than 2 hours. The cost to play with a robot is an additional \$0.25. If you prefer to play with your favorite partner, you are welcome to enter as a pair just like any of our other pairs games.

****2x4 Mentor Pairs:**

At least one of the pair must have fewer than 500 masterpoints. There is no upper masterpoint limit for the other person.**
