NORTH OKANAGAN DUPLICATE BRIDGE CLUB

President's Report

November 2026

The past year has been one of stability. Our second year at All Saints Anglican church saw our club settle into a familiar routine. Over the past 2 years our average table count per game is 8.

Our 299'er group has grown and now has table counts comparable to the open game. It is not uncommon to see 1-2 tables of 299'ers in the open game. We will introduce a handicap game every second month in 2027 to further encourage the 299'ers to try the open.

The discount card proved to be successful and will continue into the foreseeable future.

Mary Prentiss is stepping down from the board this year. She has been a board member for 15 plus years. During that time, she has looked after ordering supplies and club membership renewals. We thank her for her long service and dedication to the club.

In closing I would like to thank our current board members and the many volunteers who have stepped forward and made the club the success it is. Many hands make light work.

Al Sheasby

President
