2	<p>The Education Department is happy to announce the 2020 Winter/Spring Class Schedule. We recognize that just having classes is not enough, therefore, we have introduced workshops that will facilitate the integration and use of all the new concepts and systems provided in our classes. Each class offered will have a corresponding workshop, so please sign up for both in order to maximize your learning experience. We now need you the students to do something that will make the classes more effective, BRING A PARTNER!! Most of the classes will be useless without a partner that knows what you learned. <i>Please note: written materials will provided to you electronically and it will be your responsibility to print them out.</i></p>			
3	<p>To sign up for your class and workshop please contact the teacher directly. All classes are at the Odell Rec Center. Please arrive between 8:15 and 8:30 AM to pay your \$5.00 . Please see below for the list of teachers with their corresponding email addresses.</p>
