

TIP OF THE WEEK: DECLARER PLAY IN A NOTRUMP CONTRACT

- . The general rule in NT is to **hold up** your Ace twice if the partnership only has 5 cards in this suit. (Rule of 7)
- . **Duck** the opening lead when you have two stoppers and have to knock out two aces.
- . **Don't hold up** when there is a more dangerous suit to which your opponents' might switch. If you have two possible suits to develop, **attack** the **suit** where the **dangerous hand will play second**, not fourth.
