

As a candidate for The Villages Duplicate Bridge Board, I commit to promoting bridge for all levels of players. This includes face to face bridge, on line bridge, lessons for all levels, local tournaments, and mentoring programs.

I learned to play bridge in college, gave my future wife, Linda, a Goren bridge book on our 4th date, played social bridge for many years, and joined the ACBL in the 80s. In Chapel Hill/Durham, I was on the Unit Board for 4 or 5 years and President of the Unit for 3 years. During that time, I was the Unit representative to the District 7 board. Prior to that, Linda and I co-chaired the Unit Sectional tournaments for 3 years in 3 different venues.

The main selling point for our move to The Villages was our one week Lifestyle Program visit enjoying the many bridge games and friendly players. I want to help maintain that experience and strive to improve it.
