A Pack of Dos and Don'ts - £13

Tips for Intermediates - £14

As Wakefield Bridge Club's principal teacher, I am often asked to recommend bridge books for both beginners and improvers. My answer is always the same - look to these brilliant Andrew Robson books. Their clear layout makes them very accessible, and they cannot fail to improve your understanding and appreciation of the game.

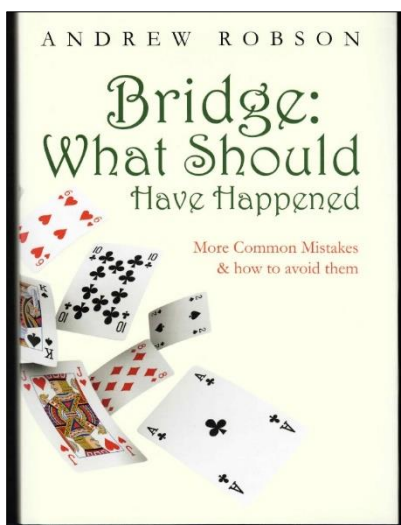

You will get the best out of them if you and your partner both have a copy, and work through them together - but any club player will benefit immensely from the insights Andrew offers.

The books can be bought from Andrew's website at www.andrewrobsonbridgestore.com; and you can try before you buy if you ask to see my copy first.

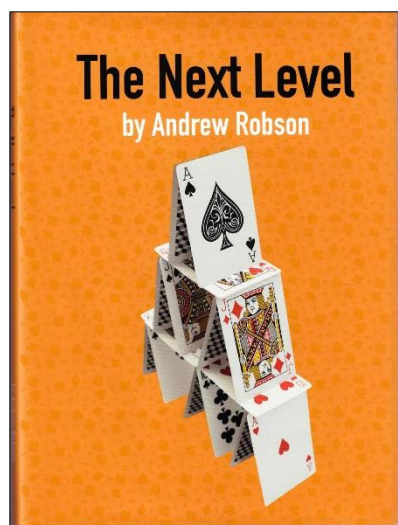

If you prefer to watch and listen rather than read, why not try Andrew's DVDs? There are full details on the separate note, and The **Next Level** book is covered in full by a set of 12 DVDs. Again, highly recommended!
