

SPRING JUNIOR BRIDGE CAMP (JBC)

was held on 15th/16th April 2023 at an activity centre in Shropshire. Numbers were low which made us tremendously grateful for the Club's donation.

Absolutely everyone enjoyed themselves enormously and we're expecting most of them to come to the next JBC in September.

I took the group who knew what a trick was. By the end of the weekend, we had covered opening 1NT, 1 of a suit, overcalling, pre-emptive openings and all of them played in the main competition on Saturday night. The two keenest boys also played in the speedball so had played 30 boards on the Saturday evening. They asked me how long it would take me to eat my dinner, stood over me, and fitted in an extra lesson before the competition! One of them was Diana Nettleton's grandson and he is now seriously hooked on bridge so I had a lovely weekend.
