

## **Len Salmon 2025 Match Report**

On a cold November day, what better way to spend the afternoon?

We enjoyed good company, sandwiches, cakes, drinks and a professionally run bridge tournament.

Without Cliff and Patricia the day would have failed, so I wish to pass on my sincere gratitude for their services to Wallingford Bridge Club.

Congratulations to our three Wallingford teams for retaining the Len Salmon Trophy, with gratitude to members of Abingdon Bridge Club for ensuring the afternoon was enjoyable.

Thank you to Kate for taking care of our catering demands.

Cliff's Cross-IMPed chart shines a warm light onto partnerships who best navigated some challenging boards.

I am pleased to report that Peter Litchfield has invited Wallingford Bridge Club to defend the trophy in Abingdon next year, and I anticipate that WBC committee will accept the challenge.
