

WBC On Your iPhone

To add the Wichita Bridge Club (WBC) to the home screen on your iPhone, start Step 1 on your unlocked smartphone while connected to the Internet.

iPhone Steps

1. Open the Safari Browser

2. Navigate to the Wichita Bridge web page by typing the following in the Safari search bar:
• bridgewebs.com/wdb

3. You should see the following displayed by Safari.

4. Tap this button

5. The following window opens.

6. Tap "Add to Home Screen" Button

7. This window opens and you will see the link to our web page and the "URL Name" Safari wants to call this on your home screen.

8. Tap on the text and edit the name to capital letters as shown so that "WBC" will display on your home screen

9. Now tap "Add to Home Screen"

10. Presto you now have a link on your iPhone to the Wichita Bridge Club home page.

WBC For Android
