

WGC Online SP Sessions via BBO and Zoom- every Saturday morning 10.30am-12.30pm
and every Tuesday afternoon 2pm-4pm

You can enter the session up to 12pm on the day before. After that entries will close and the tables will be set. This allows time to find spare partners and organise a co host for the session if necessary.

You do not need a partner or to be a table of four to play.

Visitors are welcome but please forward your name and email to; welwynbridge@gmail.com so we can communicate with you and send the Zoom link etc.

Please use the online sign up sheet. If you are a prearranged table of four note this in the column on the right.

Once entered you need to make payment of £5 per person per session. Please make this direct by bank transfer to WGC Bridge Club:

Sort Code: 40-23-11

Account Number: 41057847

Please put **your surname and SP** in the reference e.g. Smith SP.

A Zoom link will be sent the day before in the afternoon. The session will be opened 15 minutes before the start time, so people can chat if they wish.

When you click on the Zoom link please select audio so you can be heard but don't switch on video. This will help reduce the amount of bandwidth required.

Table hosts; please follow the instructions on setting up a Casual table for SP on BBO. Keep a copy of your table mates' usernames to hand in case anyone drops out.

Once we're all in the Zoom meeting you will be put into separate breakout rooms, which mirror your table of players. This in effect creates mini Zoom meetings, where you can talk to your table without disturbing the other tables.

If you require help from the co/host then click on 'Help'. One of us will join your room. We will also ask the table host to allow us to kibitz your BBO table.

My BBO username is SheSheG. I will be hosting Saturday mornings.

Srimath's is WGCTD1. He will be hosting Tuesday afternoons.

The co host username will be shared on the day at the start of the meeting. You'll need this information to know when it's us trying to kibitz your table.

Spread the word to friends and family about our sessions. The lovely thing about this virtual world is they can be played by anyone anywhere in the country or world!

Looking forward to seeing you all.
