NEW SESSION!

♠ ♥ Tuesday Evening Bridge ♦ ♣
7 HIGH

For less experienced players – no partner required

Starting 28 July

6.50 for 7pm start - Come along!

It will be restricted to those players who have an NGS Grade of 7 or lower also known as **7 High**.

You can find your own NGS Grade on MyEBU but also by looking on the Club website under “Members Information” then “NGS Rankings”. On this page of the Club website you can also see the current players who have an NGS Grade who are eligible for this session.

This session will allow less experienced players, **including beginners who currently do not have an NGS Ranking**, to play in a less daunting but still competitive environment.

The set up will be the same as other “Mixed Ability” sessions i.e. no crib sheets, no assistance, Masterpoints awarded with results on the Club website and submitted to the EBU counting towards your NGS Ranking.

The only difference will be the qualification to participate which will be limited to 7 High.

Play will start at 7:00pm with a target finish by 10:30pm. Please be seated by 6:50pm. A Host will be provided so you can turn up without a prearranged partner. The first session will be Tuesday 28th July 2026 and, initially, the sessions will run weekly for 6 sessions in total, finishing with the session on Tuesday 1st September 2026. If the session is well attended, it will be extended.

Come along and play against your peers
