

Recording the Pairs League Score on the Westmorland Website

The score at the end of playing your Hands may not be the final score. This is determined after each board has been played 16 Times.

- You may have bid and made a dodgy slam, for a massive score, but low and behold it has yet to be played by 15 others – scoring zero. – or vice versa

Therefore, please check the Hand Records – available at <http://www.bridgebase.com/myhands/> keep coming back until all hands are available.
