

Murray League

The Murray League season 2019/20 was never completed due to the pandemic.

I would like to open discussion about completion of the 2019/20 Competition and the feasibility of starting a new league in 2021/22.

1. Completion of Season 2019/20

The Final is outstanding, seven teams have qualified to play in the final. (see below) This would normally be a one-off multi-team handicapped final.

I welcome views from Murray League players.

Option 1. Wait until it is considered safe to hold a face to face final at the Marchesi Centre?

Option 2. Organise a final between the seven qualifying teams, to be played online using RealBridge?

Option 3 Rollover the entry fees for a new league starting in September 2021.

Are there any other suggestions?

2. Start a new Murray League season 2021/22

Request entries to a new Murray League with :

- Option 1 All Matches to be played at a home or in a club.
- Option 2 All Matches to be played online using RealBridge or BBO.
- Option 3 A hybrid competition where teams can decide whether each match is to be played at a home or played online.

Our other option is to abandon or suspend this competition for the time being.

I look forward to receiving your comments.
