

## Murray League 2019 / 2020

Following the statement by the EBU and the current situation regarding Coronavirus, I have decided that it is necessary to postpone the Murray League Final until things become clearer.

### Updated information about Coronavirus

*In the light of increasing concerns about the increasing spread of COVID-19 (coronavirus) the Board of the EBU has decided to postpone its own events, and revise its guideline/advice for counties, clubs and members.*

### *Advice to Counties/Clubs and Members*

*Counties. County events, because of their nature, we strongly recommend cancellation.*

I would like to thank you all for your help and assistance throughout the season

A decision about this years' final and next seasons' league will have to be put on hold.

Following the withdrawal of The Codlings from the North Division and with two weeks to our end date there is now just one result outstanding.
