

# Playing a Teams Match

Logon to BBO

You cannot start a match with 8 people unless all 8 people are there. Just like in face to face bridge. Please Check your team mates are logged on, and waiting for an Invite in the Main Area.  
(Do not click on Casual)

Check the details on the Invite:

Teammates Correct?  
Opponents Correct?

If correct - Accept

If incorrect – Reject and message / phone the Host. Explain why.

NB: You may need to accept the invite (if its correct) on a number of occasions, due to lost connections etc. All 8 players need to be logged on, and accept the invite at the same time for the match to start.

At the end of 8 boards, please wait for:-

1. The other table to finish
2. The second half table to be set up, so you play the next 8 boards against the other pair of the opposing team. Check you are playing the correct pair.

At the end of the 2<sup>nd</sup> Match, both results will be available, but it may take a few minutes after both tables are completed. Please wait. Alternatively view on Hand Records later.

The screenshot shows the Bridgebase app interface. On the left, there are options to 'PLAY OR WATCH BRIDGE' (Solitaire, Competitive, BBO Prime, Casual, Practice) and 'FEATURED AREAS' (ACBL World, Robot World, Virtual Clubs, Challenges, Instant Tournaments).
