

Announcements on Friday February 27th.

- 1. Please arrive before 1:45.** Arrival after that time can cause significant difficulty to those setting up the movement.
- 2. The table money was £3 short last week.** It's not possible to discern who didn't pay from the electronic record. If it might have been you who missed payment, please check your records and stump up! It is your responsibility to pay your table money each week - and to make the collection job easy by having your card ready.
- 3. The deadline for nominations for membership of the Committee is March 10th.** Nominations can be made for any position, or just membership of the committee. It is very important that the Club has a well populated Committee to keep things running smoothly. The job doesn't have to be onerous - it only meets approximately quarterly.
