A Gentle Reminder

Undo's

The only acceptable time to ask for an undo is when you have mis-clicked.

If you make a poor bid or play, or any other reason, it is inappropriate to ask for an undo.

All members have the right to reject an undo, and they are not required to explain why they have rejected the request. And it is inappropriate for a player to be offended

Alerts

Playing on BBO is slightly different to playing F2F. It is the bidder, not their partner, who does the alert.

In the BBO bidding box we as the 'bidder' can state what our bid means. Only us as the bidder and the opposition can see the alert and not our partner..
