???????

Do you know why, when your partner leads a suit to the opposition's NT contract it is normal to take its pip value from 11 to discover how many cards declarer has that can beat it?

F2F Reminder

Harvey's, the new, social duplicate club is proving to be an enjoyable weekly event running 12.45—4pm on Thursdays in Lytchett Minster. For more information and to register interest please contact Moira Ledger: mledger@btinternet.com

Thought for the month
(with a little help from AI)

This month, let's honour the relationships that make bridge special!

Our trusted partners, patient mentors, and friendly rivals. With online tournaments, local bridge clubs, and U3A bridge, there's no shortage of ways to enjoy the game we love. So, shuffle those cards, bid boldly, and let's deal up some joy this February.

Remember, the best partnerships aren't just built on bids—they're built on trust, laughter, and a shared passion for the game.

Zoom Bridge Class

If you or a friend would like to recap on basic EBU Acol bidding for early improvers Stephen is running a 10 week **free** Zoom course on Tuesday's from 2:30pm to 4pm with a 5 minute break in the middle.

The course started towards the end of January but if you are interested in a refresher you are welcome to join.

For further information and to get the link please contact Stephen on dgk6std@gmail.com
