A big thank you to Tony for hosting our Summer Garden Party — a most enjoyable social event.

The detailed results of each tournament are now available showing ranking, scorecards and travellers. You can also delve deeper into your results analysing your leads, your contracts and a wealth of much more. (Note Tournament Results are available from the Home Page either in the Results Calendar tab on the left or, for the most recent results, at the bottom right of the Home page under Results.)

More exciting still if you press the Competitions tab on the left you can see your position on various ladders eg the Monday Competitions ladder or your position on the All-Competitions ladder. *(It uses your average score for the competitions you've actually played in.)*

A decorative border of colorful balloons (red, yellow, blue, green, and purple) surrounds the text on all sides.

Graham Stanford is in the process of moving home and has decided to step down from the WOBC Committee. Graham has been the technical guru behind the club. Among other things setting up the contract with BBO, managing the finances and then managing the change to free tournaments. We are immensely grateful to Graham and all the original committee members for their efforts.
