Club Representation

There was a long discussion about how club reps would be chosen for various competitions. The actual number we could have was unclear and Mark will clarify this with County.

Mike will produce a draft wording to reflect the discussion. (This wording was circulated later by email and agreed. Bye-laws have been updated accordingly on the website.)

Tuesday Tea Person

This matter was raised after a Tuesday player complained about disruption to play due to some players having to break off to prepare tea. A suggestion of paying someone to come in to make tea. Roland agreed to discuss this with a Hallow local to see if this might be viable.

Refurb of Bridge Mates and Bidding Boxes

The cost of a new Bridge Mate is £127 and a refurb £33.

All units will be checked out and any identified as faulty would be repaired.

The bidding boxes would also be checked out and if necessary individual cards or broken boxes will be replaced.

Next Meeting

The date of the next meeting was proposed as 7th or 21st Nov.
