

York Bridge Club Tournaments

Please support your club by taking part in these new tournaments. If there is sufficient demand, and these sessions are well supported, we will look at introducing additional sessions.

Entry fees, standards and guests

Guests permitted to play with club member. Please ensure they are pre-registered by emailing BBO username, first name, surname and ebu number to sgregory@theyorkbridgeclub.com ahead of the tournament.

The **standards** for all these sessions are as per the guidance on the club website.

The **entry fee** for each tournament will be BBO\$5 per person. This gives the club table money of around £2.30 per person per session. Please complete your initial registration at least 15 mins before the scheduled start time.

Partner Finder: If you need to find a **partner** don't forget you can advertise on Pianola.

Getting your BBO\$

Use the internet/web to access BBO and when you login there is a blue bb\$ button at the top. You select how many you want to buy the pay. Initially payment is in US\$ but even with conversion fees and charges this is significantly cheaper than buying through an app shop.

You can either pay for both or each can pay for themselves. You choose this when doing the registration.

Registration:

Go to 'competitive'
Then 'all tournaments'

At the top is a search line. Start typing York and the comp will appear. It will only be visible from about an hour before the start time.

Click on the York tournament and you get an option to register. You enter the bbo name of your partner and decide whether to pay for one or both. You then press register. Your partner must be online at the same time when you register as they will get a box to accept the registration. When done, it will show you as registered.

You can then leave the tablet/pc even logging off provided you are back in the competitive area before the start time.

You will be taken to a table and the moves etc happen automatically from there.

Access to YBC tournaments: If you have not played in any of the club sessions on BBO before (pairs leagues/teams leagues or duplicate tournaments), please ensure you email your BBO login name to Sally Gregory ahead of the day so that the appropriate access can be set up for you.

If you have any problems accessing the tournament on the day use the chat function to contact either (not all of these will be available on the specific day but at least one of them will be):
