

TADSS(+)

(Think And Do Something Sensible '*Plus*')

Teachers Andrew Merrison & The NEW TADSS(+) Team

Dates: 10:00 – 12:00, Thursdays (THURSDAY 1st October until Christmas)

Cost: £8 per session (pay as you attend)

This session is aimed at **more 'established' players**
(with better results if attended in established partnerships).

It is **not really appropriate for novices**.

Using carefully selected hands from the Tuesday evening session, students will bid, play and discuss multiple aspects of 4 deals, with a tutor at the table acting as a Socratic guide – constantly encouraging them to: **Think And Do Something Sensible**. Wherever possible, hands are chosen to potentially allow for each participant to be declarer.

After 4 boards and a coffee break, the tutors move on to a different table and the process is repeated, thereby allowing students to experience two styles of tutelage per session.

Tutors are armed with the relevant travellers from the previous evening's play so that results can be compared. (And of course, if they can remember their own bidding and play, anyone who has already played the hands the previous Tuesday should gain additional insights!)

NB: The limited availability of higher graded tutors means that we will only be able to guarantee accommodating THREE tables (12 students).
